State Level Computer Literacy Mission

In our India there are many people who to learn computer studies but their financial Condition is not good that's why they can learn computer studies. We thought how people can learn Computer studies because the knowledge of computer is very important.

The objective of this Scheme is to provide scholarships for computer studies to the brilliant student, but poor students So that they can pursue their studies in spite of being below the poverty line. The scholarship scheme for talented children from rule areas.

Then we have launched scholarship scheme "Digital Bhavishya Ki Aur Ek Kadam". Through this scheme all interested student are able to take the

"Knowledge of computer" the benefit of this scholarship will be paid in format of fees forgive. Through this scheme all worker, self-employee, farmer, private worker; private business as well as student are able to learn computer studies. The objective of this scheme is to provide scholarship for computer studies to everyone.

Benefit of this scholarship is only for interested student in this scheme no money will be given to the student. Scholarship will provide in the format of fee forgive.

Our Vision:-

Computer knowledge is for everyone.
