MINUTES of the MEETING

Date- 26/07/2023

The First meeting of the IQAC committee in the academic year 2023-24 was held at 11:00 a.m. on 25 July 2023 in the IQAC department. The following issues were discussed and decisions were taken unanimously. The minutes of the meeting are as follows.

The minutes of the key-issues discussed and resolved in the meeting as per the agenda are as follows:

- 1. Confirming the Minutes of the Previous Meeting-** The IQAC coordinator, Dr. S. P. Kamble read out the minutes of the previous meeting. The Management Representative Dr. Prasad Sonawane asked the present members whether they had any query about the decisions. After the consent of all present members and the Principal, all the minutes were confirmed unanimously.
- 2. Starting of Teaching to First Year Students-** The Principal Dr. J. D. Sonkhaskar took review of total admissions for FYBA and FYBCom classes and suggested to start the classes as per the college timetable. Further she said that all the teachers teaching to first year students should inform the students about the semester pattern and the concerned syllabus. They should also acknowledge them to the importance and requirement of regular attendance in the college. The students should be given necessary instructions and information about code of conduct of the college in the beginning lectures. Further she suggested to the Vice-principal that arrangement should be done to organise the Induction Programme for the Students of First Year.
- 3. Purchasing of Books-** The IQAC coordinator Dr. S. P. Kamble asked about the requirement of books as per the syllabus to which the Principal replied that the heads of all the departments should prepare a list of books as per the syllabus along with the reference books related to the subject and submit to the Library for the next procedure. She said that the latest publications useful for the students for their skills

development and for the preparation of competitive examinations appeared in the market should be added in the list.

4. **Updating College Website-** The IQAC Coordinator raised the question of updating the College Website. To this question, the Principal suggested Prof. Jagtap A.J. (Commerce) to be appointed as a Website operator so that all the necessary updates of the college and daily notices would be uploaded for the convenience of the students and other stakeholders.
5. **Cancellation of Affiliation of Some Subjects:** The IQAC coordinator asked about the cancellation of affiliation of extra-subjects to the university. The Principal said that the letter for getting the permission to cancel the subjects had been sent already to the parent institute and the cancellation process of affiliation of the subject at the university would start in the month of September. Dr. Prasad Sonawane said that the permission from the parent institute would be received in the month of August after the general meeting of the executive body of the parent institute scheduled on 29th July 2023. The Principal said that the affiliation of the subjects would be cancelled as soon as the website of the university opened.
6. **Students' Allotment for Mentor-mentee:** The Principal explained that the college started Mentor-mentee system to look after all the issues of the students in the college. Dr. Prasad Sonawane appreciated the concept of Mentor-mentee and wished best compliments for such activity. The Principal instructed the Vice-Principal to allot the students among the teachers appropriately and keep the record.
7. **Arranging a Programme of Humanity Wall and Gender Sensitization:** Dr. Ganesh Limbole asked about arranging a programme of Humanity Wall and Gender Sensitization. Ms. Suvidha Deore supported the topic and explained the necessity of the programme of Gender Sensitization. The Principal informed the present members that the programme of Humanity Wall would be arranged. She assured the present members that she would give necessary instructions to the teachers about arranging the programme.
8. **Regarding Repairing of Inverter:** Mr. Vinod Pawar, the Senior Clerk, asked about repairing the inverter. The Principal replied that it would be repaired soon after reviewing the condition of the inverter.
9. **Celebration of Special Days:** The Principal announced that all the Special Days including the birth and death anniversaries of the national heroes would be celebrated

in the college. Dr. Ganesh Limbole said that the special speeches should be arranged on some special days to enlighten the students.

10. Issue of Tube-Well and its Motor-pump: Mr. Vinod Pawar raised the issue of Tube-well and its motor pump. The Principal said that the motor pump would be repaired after its checking. Further she said that it was also necessary to check its wire and tube. Dr. Prasad Sonawane advised that the permanent water supply facility would be possible if the pipe connected to the main water supply going to Karanjad from Taharabad. He assured the present members that he would help in the matter by inquiring to the concerned village chief.

11. Other Spot Issues with the Prior Permission of the Chairperson-

a) **Requirement of Staff:** The shift-in-charge of the afternoon session Ms. Suvidha Deore raised the issue of staff requirement for zoology and Botany departments. The Principal said that the parent institute had given an advertisement and soon the staff would be made available. Dr. Prasad Sonawane said that the parent institute had given an order to a person but the candidate was reluctant to work in remote place. He assured that the institute would see other candidate for the same and would solve the problem of staff vacancy.

b) **AAA and Submission of AQAR-2022-23:** The IQAC Coordinator Dr. S. P. Kamble asked about the submission of AQAR 2022-23 and carrying out AAA of the college. To this question, the Principal answered that the AAA of the college would be carried out just after the submission of AQAR-2022-23 to the NAAC. She asked the vice-Principal to bring the same into the notice of the staff to prepare necessary documents to carry out AAA of the college. Further she said that necessary documents should be arranged for the submission of AQAR-2022-23.

c) **Regarding Change in the Name of College to the University:** Dr. S. P. Kamble asked about the updates of Change in the name of the college to which the Principal replied that we would get the letter from the university after its general meeting with vice-chancellor. Further she informed that after the university letter it was necessary to get the same kind of letter from the state government. The letter of government would be sent to AISHE and the UGC for further procedure to get the issue solved.

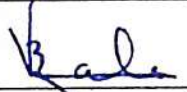

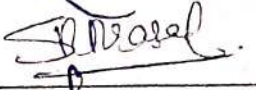

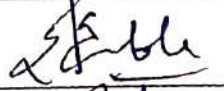

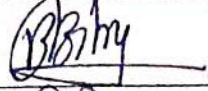

d) **Purchasing of Equipment for Science Laboratory:** The shift-in-charge of afternoon session Ms. Suvidha Deore asked about purchasing of equipment for

Science Laboratory. The Principal replied that the proposal letter was sent to the parent institute to get permission. Dr. Prasad Sonawane said that he would look into the matter in the general meeting of the parent institute and solve the issue very soon.

- e) **Purchasing of Cupboards and Racks:** Mr. Vinod Pawar asked about the status of proposal sent to the parent institute to get permission. The principal replied that the permission from the parent institute was expected after the general meeting of the executive body of the institute. Dr. Prasad Sonawane said that he would inquire about the permissions of purchase of the cupboards and racks in the parent institute and try to get it as soon as possible.

Conclusion of the Meeting with Vote of Thanks - All the members actively participated in the meeting. The meeting was concluded with a vote of thanks proposed by Dr. S. P. Kamble, IQAC Coordinator. He heartily thanked the chairperson of the meeting Dr. J D. Sonkhaskar by showing his sense of sincere gratitude towards the chairperson for her able guidance in the meeting. Date- 11/10/2023

The Second Meeting of the IQAC committee in the academic year 2023-24 was held at 11:00 a.m. on 09/10/2023 in the IQAC department. The following issues were discussed and decisions were taken unanimously. The minutes of the meeting are as follows.

The minutes of the key issues discussed and resolved in the meeting as per the agenda are as follows:

- 1. Confirming the Minutes of the Previous Meeting-** The IQAC coordinator, Dr. S. P. Kamble read out the minutes of the previous meeting. The Principal Dr. J. D. Sonkhaskar asked the present members whether they had any query about the decisions. After the consent of all present members, all the minutes of the previous meeting were confirmed unanimously.
- 2. Preparation of SSR and Submission of AQAR-2022-23** - The Principal Dr. J. D. Sonkhaskar informed that the IIQA of the College was submitted successfully and it was necessary to arrange all the documents for the successful submission of SSR within 45 days after the acceptance of IIQA by NAAC. Prof. V. B. Kale said that all the teachers should cooperate in the preparation of the SSR. The IQAC Coordinator informed that the AQAR-2022-23 of the college was also necessary to be submitted before the submission of SSR. The principal advised that AQAR-2022-23 should be submitted as early as possible. Further she said that while submitting AQAR, the IQAC coordinator should take note whether all the activities and programmes conducted in the college were mentioned in the report.
- 3. MoU with Local Doctors** - The IQAC coordinator Dr. S. P. Kamble asked about doing an MoU with local doctors in order to provide health centre facility to the students at the college to which the Principal replied that MoU would be done with local doctors. Dr. Prasad Sonawane said that his hospital would cooperate in setting

up the health care centre at college. The Principal asked the Vice-Principal to do necessary action in doing MoU with the hospital.

4. **Purchasing of Computers:** Dr. G. M. Limbole, the CEO of College, asked about making the computers available in every department to which the Principal replied that the proposal of Computer requirement had been already sent to the parent institute and soon every department would get a computer.
5. **Xerox facility for Students in the College premises:** The IQAC Coordinator Dr. S. P. Kamble asked about providing the facility of photocopying documents at college to the students. The Principal informed that soon the college would get an advanced Xerox machine which would be placed in the Department of Examination for smooth working of examination and the old Xerox machine would be placed to provide the facility of photocopying the documents of students in the college premises.
6. **Fencing the Campus:** Prof. Dr. V. B. Kale raised the issue of fencing the college premises to which the Principal replied that the proposal would be sent to the parent institute to get the premises fenced. Dr. Prasad Sonawane said that he would strongly recommend the proposal in the general meeting of parent institute.
7. **Electric Fitting and Internet facility:** The Senior Clerk Mr. Vinod Pawar asked about the requirement of new electric fitting in the college. He said that the various departments were in need of electricity including the college main office. The Principal replied that the proposal would be prepared and sent to the parent institute to get the electric fitting done immediately. Dr. G. M. Limbole raised an issue of updating the departments with internet facility to which the Principal replied that the internet facility would be provided to all the departments along with the electric fitting.
8. **Connection of Internet:** The coordinator Dr. S. P. Kamble asked that connecting the Departments with internet is necessary to which the principal replied that every department will be provided with internet.
9. **NEP-2020 Awareness Programme:** The Principal informed that Maharashtra State Government would take initiative to start NEP-2020 from the next academic year - 2024-25, therefore all the teachers should attend the seminars and workshops arranged on this topic and keep themselves updated for NEP-2020. Further she said that the teachers should discuss the topic among themselves and should prepare for the new national policy of education.

10. Submission of Internal Marks to the University: The Principal made the teachers aware of the internal assessment and submission of internal marks in order to submit the marks as soon as the university portal opened. Further she instructed the Vice-Principal to make the teachers alert about filling in the marks of all the students without missing any ones.

11. Other Spot Issues with the prior Permission of the Chairperson:

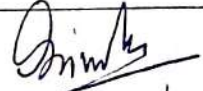

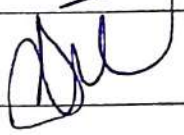

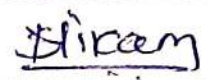

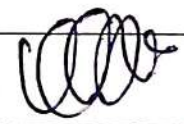

A) The Principal Dr. J. D. Sonkhaskar, while guiding to the staff, emphasized on the preparation of documentation and preparation of SSR. She said that every department should give appropriate inputs to the IQAC for the preparation of SSR.

2	August	2. Active Methylene Compounds	02
		Definition, Preparation of Ethylacetoacetate and Synthetic uses of ethylacetoacetate Preparation of Diethyl malonate and Synthetic uses of diethyl malonate, (preparation of non-heteromolecules having upto 6 carbon)	04
3	September	3. Rearrangement Reactions	12
		Introduction, Types of rearrangement, Types of reactive intermediate involved in different rearrangements, Rearrangement – Beckmann, Baeyer-Villiger, Favorskii, Curtius, Lossen, Schmidt and Pinacol-Pinacolone with mechanism. Electrocyclic Rearrangements- Claisen, Cope and Mc-Lafferty rearrangements with mechanism	
4	October	4. Elimination reactions	10
		Introduction; Types of eliminations-1,1; 1,2 elimination, Mechanism with evidences of E1 and E2, E1cB reactions, stereochemistry of E1 and E2 elimination, Orientations and reactivity in E1 and E2 elimination- Hoffmann and Saytzeff's orientation, Factors affecting the reactivity- effect of structure, attacking base and leaving groups.

2	December	2. Polymerization Chemistry	12
		Classification of polymerization processes, mechanism of- step growth, radical chain growth, ionic chain	
		both cationic and anionic) and coordination polymerizations. Polymerization techniques-bulk, solution, suspension, emulsion and interfacial condensation.	
3	January	3. Molecular weight of Polymers	06
		Average molecular weight of polymer, Number average molecular weight (Mn), Weight average molecular weight (Mw),	
		Number average molecular weight by end group analysis, Viscosity average molecular weight by viscometric method, Molecular weight distribution and its significance, polydispersity index.	
4	February	4. Important Polymers:	06

Sr. No.	Month	Topic and Subtopic	Number of Probable Periods
1	July	1. Chemical Energetics	
		Review of thermodynamics and the Laws of Thermodynamics. Important principles and definitions of thermochemistry. Concept of standard state and standard enthalpies of formations, integral and differential enthalpies of solution and dilution.	05
		. Calculation of bond energy, bond dissociation energy and resonance energy from thermochemical data. Variation of enthalpy of a reaction with temperature – Kirchhoff's equation. Statement of Third Law of thermodynamics and calculation of absolute entropies of substances, problems	06
2	August	2. Chemical Equilibrium:	03
		Introduction: Free Energy and equilibrium - Concept, Definition and significance The reaction Gibbs Energy, Exergonic and endergonic reaction. The perfect gas equilibrium, the general case of equilibrium	04
		The relation between equilibrium constants, Molecular interpretation of equilibrium constant. The response of equilibria to conditions- response to pressure , response to temperature, Van't Haff equation, Value of K at different temperature, Problems	04
3	September	Ionic Equilibria	03
		Strong, moderate and weak electrolytes, degree of ionization, factors affecting degree of ionization, ionization constant and ionic product of water.	04
		Ionization of weak acids and bases, pH scale, common ion effect. Salt hydrolysis-calculation of hydrolysis constant, degree of hydrolysis and pH for different salts.	02
		Buffer solutions. Solubility and solubility product of sparingly soluble salts– applications of solubility product principle.	02

Lectures Allotted-36

Name of the Teacher-Prof.S.V.Khonde

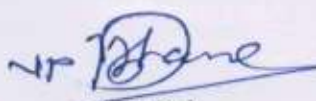

Sr. No.	Month	Topic and Subtopic	Number of Probable Periods
1	October	Fundamentals of Organic Chemistry	
		Physical Effects, Electronic Displacements: Inductive Effect, Electromeric Effect, Resonance and Hyperconjugation.	03
		Cleavage of Bonds: Homolysis and Heterolysis. Structure, shape and reactivity of organic molecules: Nucleophiles and electrophiles. Reactive Intermediates:	03
		: Carbocations, Carbanions and free radicals. Strength of organic acids and bases: Comparative study with emphasis on factors affecting pK values. Aromaticity: Benzenoids and Hückel's rule.	03
2	November	Stereochemistry	04
		Introduction, classification, Interconversion of Wedge Formula, Newmann, Sawhorse and Fischer representations. Conformations with respect to ethane, butane and cyclohexane. Configuration:	05
		Geometrical - cis - trans, and E / Z Nomenclature (for upto two C=C systems). Optical isomerism Enantiomerism,	04
		Diastereomerism and Meso compounds). Concept of chirality (upto two carbon atoms). Threo and erythro; D and L; nomenclature; CIP Rules: R / S (for upto 2 chiral carbon atoms)	04
3	December	Aliphatic Hydrocarbons	
		Functional group approach for the following reactions (preparations & reactions) to be studied in context to their structure.	04
		Alkanes: (Up to 5 Carbons) Preparation: Catalytic hydrogenation, Wurtz reaction, Kolbe's synthesis, from Grignard reagent. Reactions: Free radical Substitution: Halogenation.	03
		Alkenes: (Up to 5 Carbons) Preparation: Elimination reactions: Dehydration of alkenes and dehydrohalogenation of alkyl halides (Saytzeff's rule); cis alkenes (Partial catalytic hydrogenation) and trans alkenes (Birch reduction). Reactions: cis-addition (alk. KMnO ₄) and trans-addition (bromine), Addition of HX (Markownikoff's and anti-Markownikoff's addition), Hydration, Ozonolysis, oxymecuration-demercuration, Hydroboration-oxidation.	03

		Alkynes: (Up to 5 Carbons) Preparation: Acetylene from CaC_2 and conversion into higher alkynes; by dehalogenation of tetra halides and dehydrohalogenation of vicinal-dihalide Reactions: formation of metal acetylides, addition of bromine and alkaline KMnO_4 , ozonolysis and oxidation with hot alk. KMnO_4 .	03

SEMESTER - III

Month	Topic	No. of Lectures
June/ July	Admission Admission	
August	1. Introduction to Angiosperms Taxonomy Definition, scope, objectives and importance of taxonomy Exploration, Description, Identification, Nomenclature and classification Concept of Systematics with brief historical background	02
September	2. Systems of classification Comparative account of various systems of classification Artificial system- Carl Linnaeus Natural system- Bentham and Hooker Phylogenetic system- Engler and Prantl APG system- A brief review	05
October	3. Study of Plant Families Study of following families with reference to systematic position (As per Bentham and Hooker's system of classification), salient features, floral formula, floral diagram and any five examples with their economic importance - Annonaceae, Brassicaceae, Myrtaceae, Rubiaceae, Solanaceae, Apocynaceae, Nyctaginaceae and Amaryllidaceae	08
November	4. Botanical Nomenclature Concept of nomenclature, brief history, Binomial nomenclature International Code for Nomenclature of Algae, Fungi and Plants (ICN)- Principles, Rules and Recommendations; 'Type' specimen and its types (Holotype, Paratype, Isotype, Lectotype, Neotype). Concept of Typification. Ranks and endings of taxa names, Coining of Genus and Species names Single, double and multiple authority citations	05
December	5. Introduction to ecology Definition, concept, scope, and interdisciplinary approach, autecology and synecology. Species diversity: definition, concept, scope, and types: Alpha, Beta and Gamma diversity. Methods of vegetation sampling: quadrat method, transect method, plot less method Genetic Diversity: definition, nature and origin of genetic variations Species Diversity: definition, origin of species diversity, diversity indices, species abundance Ecosystem Diversity: definition, major ecosystem types of the world, Hotspots in India - concept and basis of 'hotspot' identification.	06
January	6. Ecological grouping of the plants Ecological grouping of the plants with reference to their significance of adaptive external and internal features: a) Hydrophytes, b) Mesophytes c) Xerophytes d) Halophytes with examples. Revision	04

S.Y.BSc- ZO – 241 Animal Diversity -IV

Month	Topic	No. of Lectures
February	<p>1. Introduction to class –Reptilia</p> <p>1.1 Salient features of class Reptilia with one example (name only) – Chelone, Calotes.</p> <p>1.2 Venomous and Non-venomous snakes – Cobra, Russell’s viper, Rat snake, Grass snake.</p> <p>1.3 Snake venom, symptoms, effect and cure of snake bite, first aid treatment of snakebite</p> <p>1.4 Desert adaptations in reptiles in brief.</p>	04
March	<p>2. Introduction to class –Aves (05)</p> <p>2.1 Salient features of class Aves with two examples (names only) – Sparrow, Parrot. 2.2 Flight adaptations in birds. 2.3 Types of Beaks and feet in birds. 2.4 Migration in birds – Altitudinal, Latitudinal</p> <p>3. Introduction to class - Mammalia.</p> <p>3.1 Salient features of class Mammalia with two examples (names only) – Rat, Rabbit.</p> <p>3.2 Egg laying mammals.</p> <p>3.3 Aquatic adaptations in mammals.</p> <p>3.4 Flying adaptations in mammals.</p> <p>3.5 Cursorial and fossorial adaptation in mammals</p>	05 04
April	<p>4. Study of Rat</p> <p>4.1 Systematic position, habit and habitat.</p> <p>4.2 External characters.</p> <p>4.3 Digestive system, food and feeding.</p> <p>4.4 Respiratory system.</p> <p>4.5 Blood vascular system – Structure of Heart.</p> <p>4.6 Nervous system – Central Nervous system only.</p> <p>4.7 Sense organs – Structure and functions of Eye & Ear.</p> <p>4.8 Reproductive system.</p>	17

F.Y.BSc : ZO 112: Animal Ecology

Month	Topic	No. of Lectures
June/	Admission	
July	Admission	
August	Introduction to Ecology 1.1 Concepts of Ecology, Environment, Population, Community, Ecosystem, Biosphere, Autecology and 1.2 synecology.	02
	2. Ecosystem 2.1 Types of ecosystems: Aquatic (Freshwater, estuarine, Marine and terrestrial (Forest, Grassland and Desert) 2.2 Structure and Composition of Ecosystem (Abiotic components and biotic components). 2.3 Food chain: Detritus and grazing food chains, Food web, Energy flow through the ecosystem, Ecological pyramids: Number, Biomass, and Energy. 2.4 concept of Eutrophication in lakes and rivers. 2.4 concept of Eutrophication in lakes and rivers.	08
September	3. Population 3.1 Characteristic of population: Density, Natality, Mortality, Fecundity tables, survivorship curves, age ratio, sex ratio, dispersal and depression 3.2 Exponential and logistic growth, 3.3 Population regulation – density-dependent and independent factors. Population interactions, Gause's Principle with laboratory and field interactions, 3.4 Quadrant, line and belt transect methods.	08
October	4. Community 4.1 Community characteristics: species richness, dominance, diversity, abundance, vertical stratification, Eco tone and edge effect; Ecological succession with one example.	07

November	<p>5. Animal interactions</p> <p>5.1 Introduction to Animal interactions</p> <p>5.2 Types of Animal interactions with at least to suitable examples of each</p> <p>5.2.1-Competition: Interspecific and intraspecific</p> <p>4</p> <p>5.2.2- Beneficial Associations: Commensalism (remora fish on shark, Cattle egrets on livestock), Mutualism (Termite and <i>Trichonympha</i>, bees and flowers, cleaning symbiosis in fish by prawns).</p> <p>5.3 Antagonistic associations: Parasitism (<i>Ascaris</i> and man, lice and humans), Prey predation (Lion and deer).</p>	05

ICT BASED TEACHING REPORT 2023-24

Department of Geography

ICT-Enabled Tools in Teaching for the Geography Department

Aim of ICT-Based Teaching “To Help the Students to Become Competent and Confident and Be Able to Use the Basic as Well as Advanced Knowledge and Acquire Skills to Assist and Enhance Their Daily Lives.”

During the academic year 2023-24, an ICT-Based Teaching initiative was implemented in the Geography Department. The faculty members actively guided students using innovative teaching methodologies integrated with modern technology. The aim was to provide an enriched learning experience and enable students to gain both theoretical and practical geographical knowledge.

Objectives of ICT-Based Teaching in Geography

1. Enhance students' understanding of geographical concepts through interactive and visually engaging tools.
2. Provide access to a variety of resources such as maps, videos, and virtual simulations.
3. Foster critical thinking and analytical skills by using real-time data and geographic information systems (GIS).
4. Create an inclusive learning environment that caters to students with different learning paces and preferences.

Implementation in the Geography Department

1. **Teaching-Learning Resources Provided:** The Geography Department made use of the following ICT-enabled tools:
 - **YouTube Videos:** Tutorials and documentaries related to physical geography, climatology, and human geography.
 - **PPT Presentations:** Visually rich slides covering topics such as landforms, weather patterns, and urban planning.
 - **E-Books and Articles:** Digital reading materials for topics like GIS, cartography, and environmental studies.
 - **Educational Websites:** Interactive websites such as Google Earth, National Geographic, and government climate data portals.
 - **Video Lectures:** Pre-recorded lectures covering foundational and advanced topics in geography.
 - **Simulation Tools:** Virtual platforms for understanding topography, weather systems, and geographical phenomena.

2. Classroom Activities and Engagement:

- Faculty members conducted interactive sessions using multimedia aids to explain complex topics such as soil erosion, watershed management, and population migration patterns.
- Students were encouraged to explore virtual platforms like GIS tools to analyze geographical data and create digital maps.
- Geography-related apps were introduced to make field studies more effective by enabling real-time data collection and visualization.

3. Communication and Collaboration:

- Dedicated **WhatsApp groups** were created for each class (F.Y.B.A., S.Y.B.A., T.Y.B.A., and Geography Specialization courses) to share resources, announcements, and assignments.
- Links to online materials and discussion forums were regularly shared for collaborative learning.

4. Evaluation and Feedback:

- Assignments were submitted through online platforms, enabling quicker feedback and evaluation.
- Online quizzes and tests were conducted to assess students' understanding of topics such as climate change, resource distribution, and urban geography.

Benefits to Students: The integration of ICT tools greatly benefited students by:

- Enhancing their ability to visualize and understand abstract geographical concepts.
- Providing easy access to a wide range of learning resources.
- Developing practical skills such as GIS mapping and data analysis.
- Fostering independent learning and curiosity.

Challenges and Solutions: Some students initially faced difficulties in adapting to the ICT tools and understanding basic concepts. Faculty members addressed these challenges by providing additional guidance through one-on-one interactions and remedial classes.

Conclusion: This ICT-based teaching initiative has significantly improved the learning outcomes in the Geography Department. The Head of the Department, with the support of the College Principal, ensured the successful implementation of these modern teaching methods. The department expresses gratitude to the faculty and students for their enthusiasm and active participation, making this initiative a success.

ICT BASED TEACHING REPORT 2023-24

'Aim of ICT Based Teaching'

"To Help the Students to Become Competent and Confident and Be Able to Use the Basic as Well as Advanced Knowledge and Acquire Skills to Assist and Enhance Their Daily Lives"

During the academic year **2023-24**, an ICT Based Teaching was organized in **Commerce Department**. The students During the ICT Based Teaching of the academic year, the faculty members guided them as guidance to students.

Through considering the above aim and objectives students were educated by providing them the opportunity through the modern teaching aids. Commerce Department provides the various kind of teaching-learning material to students, viz. You Tube videos, links, PPTs, e-books, educational website and video lectures.

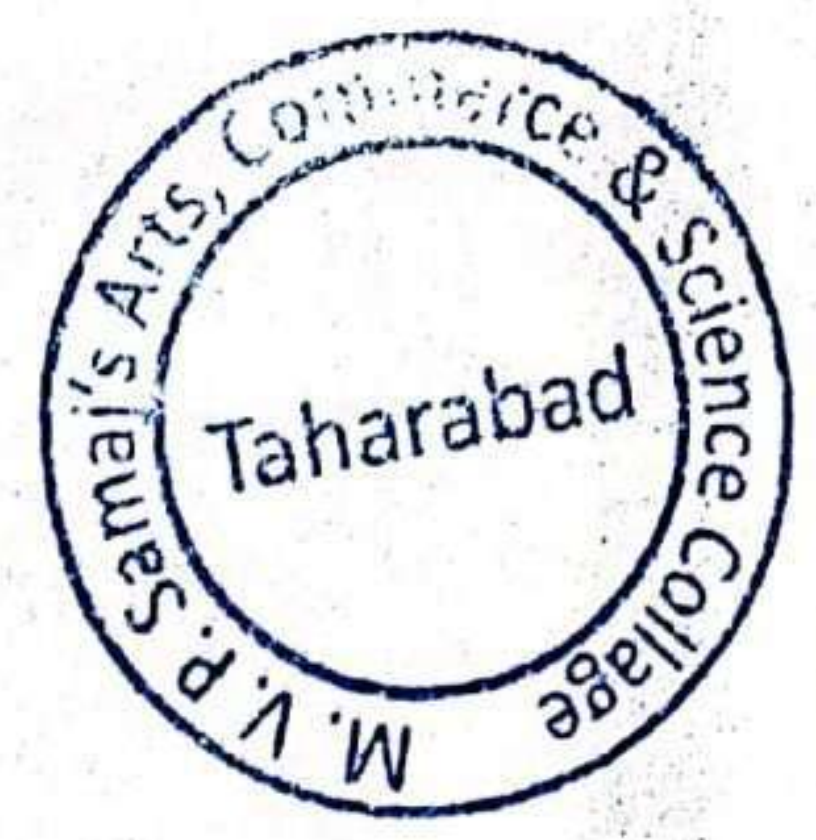

With this facility faculty members teach the student through You Tube videos, links, PPTs, e-books, educational website and video lectures. For sharing the knowledge and information our students created class wise Whats App group with the help of professors.

Students from F.Y.B.COM, S.Y.B.COM, T.Y.B.COM, Marketing Management-I, Marketing Management-II, Marketing Management-III were selected. The study materials, E-Books, Audio Video Clip, YouTube Video, Video Lectures and PPT were shown for these students. All of these factors have benefited to these students. While studying these classes, these students were found to have difficulty in acquiring basic concept skills. It was possible to guide them in that direction. These classes were organized by the Head of the Department. College Principal has given permission for these ICT Based Teaching lectures for Students improvement towards ICT Base knowledge. They thanked the department for this.

ICT BASED TEACHING REPORT 2023-2024

During the academic year 2023-2024 an ICT Based Teaching was organized in Chemistry. The students During the ICT Based Teaching of the academic year, the faculty members guided them as guidance to students.

Through considering the above aim and objectives students were educated by providing them the opportunity through the modern teaching aids. Chemistry department provides the various kind of teaching-learning material to students, viz. YouTube videos, links, PPTs, e-books, educational website and video lectures.

With this facility faculty members teach the student through You Tube videos, links, PPTs, e-books, educational website and video lectures. For sharing the knowledge and information our students created class wise What's App group with the help of professors.

Students from FYBSC , SYBSC T.Y.B.Sc, SYBSC-CH-202/CH-201, TYBSC-CH-504,508,507) were selected. The study materials, E-Books, Audio Video Clip, YouTube Video, Video Lectures and PPT were shown for these students. All of these factors have benefited to these students. While studying these classes, these students were found to have difficulty in acquiring basic concept skills. It was possible to guide them in that direction. These classes were organized by the Head of the Department. College Principal has given permission for these ICT Based Teaching lectures for Students improvement towards ICT Base knowledge. They thanked the department for this.
